

# Unleashing Creativity with ChatGPT for Slide Creation

*old man yells at ChatGPT*

A JOURNEY FROM CLEVER PROMPTS TO AUTOMATED POWERPOINT  
MAGIC

# Welcome, everyone!

- ▶ Today, we're going to explore the magic of using ChatGPT to create dynamic slide decks. Buckle up for a journey that's as entertaining as a roller coaster ride!

# Meet ChatGPT, Your Creative Partner

- ▶ With language prowess, problem-solving skills, and digital magic, ChatGPT spins thoughts into gold.

# The Creative Process

▶ Crafting a stunning slide deck is an art. Our journey involves:

1. Crafting the Perfect Prompt
2. Guiding ChatGPT's Responses
3. Automating PowerPoint with VBA

# Crafting the Perfect Prompt

- ▶ Your prompt is the roadmap for ChatGPT's creativity. Make it specific, clear, and sometimes sprinkle it with a touch of humor to keep things interesting!

# Guiding ChatGPT's Responses

- ▶ ChatGPT loves a clear briefing! Use specific instructions, suggest a style, and don't hesitate to add a playful twist. Just don't expect it to tell knock-knock jokes... yet!

# Automating PowerPoint with VBA

- ▶ Enter VBA, your PowerPoint enchantment spell. With a sprinkle of code, VBA automates the tedious stuff. Think of it as your digital fairy godmother!

# Putting it All Together

- ▶ Let's see the magic in action:
  1. Craft a prompt: 'Design a slide showcasing our team's accomplishments.'
  2. Generate ChatGPT's response: 'Create a title slide with key achievements and visuals.'
  3. Convert response to VBA: 'VBA code to add title and content slide.'

# Benefits of ChatGPT for Slide Creation

- ▶ Benefits of teaming up with ChatGPT:
  - ✓ Fast like a caffeinated cheetah, even under pressure!
  - ✓ Effortless creativity: ChatGPT's brainpower meets your imagination.
  - ✓ Collaboration without time zone or coffee break constraints.

# Thank You! Questions? Contact Me:

- ▶ Thank you for joining us on this creative adventure! Remember, with ChatGPT and a sprinkle of VBA, you can turn ideas into reality, one slide at a time.
